

AEROSTEP SERIES *Waffle Sponge Underlays for Carpets*

PRODUCT DESCRIPTION

The Aerostep Series is another premium product in the wide range of LH Underlays for the value conscious user and designers. A waffle sponge rubber underlay for general commercial and hospitality use. Unlike other similar looking underlays, the Aerostep Underlay is made from 100% natural rubber and is environment friendly. They are suitable for under-floor heating. Its large bubble construction provide extra underfoot comfort and helps to prolong life of the carpet.

The Aerostep Underlays are highly recommended for use in Hotel Guest Rooms, Restaurants, Small Function Rooms, Lounges and Offices where luxurious comfort is appreciated. They are suitable for heavy contract use with the End Use Classification (BS 5808: 1991) HC/U, Heavy Contract Use and Luxury Use (LU).

Our underlays conform to the British Standard BS5808 for underlays with the European Regulation (EC) N1907 / 2006 on REACH.

MANUFACTURER'S WARRANTY

A manufacturer's certificate of quality and warranty is available on request upon completion and due inspection of the project. This is important to ensure that you receive the authentic product and that no inferior quality substitutes are used for your projects. They are guaranteed for the life of the carpet when used in the above-recommended applications.
